

eM Client for OX App Suite – Auto-discovery Information

Dear Customer,

In order to enable the best possible user experience for eM Client for OX App Suite we need to ask you for some information about your App Suite Servers. This information will allow us to provide a seamless setup of eM Client for your users.

Please add your information for the yellow parts in the XML snippet below and send it (best case as plain text) to emclient@open-xchange.com.

If you have questions please send an email to the email address above.

Many thanks and best regards,

Your OX-Team
